Would be epic if there were a thedonald.win meetup somewhere (although without our usernames being shown out in the open or else commies will try & identify us). A meet & greet at D.C. for pedes on this site would be super

awesome (as long as it's safe).

I think if we made a post people would show up. Honestly, I heard the holiday Inn is a trump party central. At million maga the Willard and JW Marriott are right next door and had hangouts and parties afterwards

Stay warm. Last time I went to DC at this time of year I had to wear both hand and feet warmers like hunters wear. Didn't help. Never been so cold in my life. Saw a woman eating in a port a potty, as a sweet potato rolled out from under the door.
